

KOHLER® GENUINE ENGINE OIL

Engines

KOHLER®
IN POWER. SINCE 1920.

PROTECT YOUR INVESTMENT.

KOHLER® genuine oils are blended with extra zinc additive to extend engine life well beyond conventional automotive oils. Our oils are specifically formulated to protect against thermal breakdown that can occur during heavy loads and high operating temperatures.

WHY KOHLER OILS?

- Extra zinc additive for superior wear protection and long durability
- Outperforms conventional API SN oils
- Keep engine clean for peak efficiency and reduced maintenance
- KOHLER warranty approved

KOHLER SAE 10W-30 SYNTHETIC BLEND

An outstanding general-purpose oil that provides excellent cold-weather starting

KOHLER SAE 20W-50 SYNTHETIC BLEND

Recommended for use in higher operating temperatures or extreme operating conditions to help reduce oil consumption

KOHLER SAE 30

Offers performance similar to 10W-30 but in a straight-grade SAE 30 formula

KOHLER SAE 10W-40 SYNTHETIC BLEND

An excellent all-season oil that offers exceptional performance over a broad range of operating temperatures

KOHLER SAE 15W-40 HEAVY-DUTY DIESEL

Advanced engine protection technology for hard-working diesel engines

OIL TYPE	SIZE	KOHLER PART NUMBER
10W-30 Synthetic Blend	Case (12 Qt)	25 357 64-S
10W-30 Synthetic Blend	55 Gal Drum	25 357 54-S
10W-40 Synthetic Blend	Case (12 Qt)	25 357 70-S
20W-50 Synthetic Blend	Case (12 Qt)	25 357 67-S
20W-50 Synthetic Blend	55 Gal Drum	25 357 55-S
SAE 30	Case (12 Qt)	25 357 02-S
15W-40 Diesel	Case (12 Qt)	25 357 48-S

*Although 10W-40 engine oil is the recommended oil for most conditions, the oil viscosity may need to be changed to accommodate seasonal temperature changes. Using 20W-50 oil in higher ambient temperatures may reduce oil consumption.
